

CollaboratioNZ 2023 Registration Information

Event Dates 10 – 18th March 2023

CollaboratioNZ Venue and Facilities

CollaboratioNZ 2023 will be held at McGregors Bay, 30 minutes drive from central Whangarei, Northland NZ. Our beachfront setting provides a stunning private environment at the foot of Mt Manaia, a landmark steeped in Maori legend that inspires the creative muses. Multi-purpose out-buildings and marquees are clustered around the central meeting-dining hall where all meals are prepared. In the evenings, artists offer brief visual presentations of their art practice, or collaborate over shared sketchbooks.

Bunkrooms are provided and there are also on-site camping areas for tents. If you wish to stay offsite there is also a wide variety of accommodation available within 10 minutes' drive of camp. Air travel is possible to Whangarei airport for International and NZ participants. Airport pickup can be arranged if travel itineraries are provided well in advance. Whangarei Heads provides a splendid setting for this unique creative experience and is a short distance from a wealth of historic and scenic adventures in Northland. Safe swimming, fishing, surf beaches, mountain climbing and bush walks are abundant within minutes of the venue.

Heavy equipment and full metal and ceramic areas mean safety is a top priority for us. A full safety briefing will be provided at the beginning of camp. No children or pets, are permitted on site. All visitors including children are welcome to attend the open day on Tuesday 14th March from 10-3. All work created during the event is the property of CollaboratioNZ trust and will be sold at the CollaboratioNZ no reserve auction to raise money to cover costs and seed the next event. Completed works will be exhibited to sponsors, invited guests, media and public before being auctioned. The no-reserve art auction is open to the public and is held at Forum North Whangarei from 11am on Saturday 18th March.

All materials and equipment (except personal hand tools) are provided but artists are encouraged to bring strange, favourite, or found materials to share. For artists this hands-on week exploring new mediums and making new connections with some of the world's most creative minds is a portal to new directions and extraordinary fun. You will have the opportunity to experiment with new mediums and learn firsthand from other artists.

The conference fee for registrants is \$1400 NZD per applicant, this includes camp accommodation, full catering, use of equipment and supplies for artmaking, 1 x free t-shirt and a CD of photos of completed artworks. If you do not require onsite accommodation conference fee is \$200 less. We have a very limited amount of places available for registrants to come and work alongside our national and international artists. So we recommend you register as soon as possible to secure your place. To register just fill out the registration form on the next page and return to us via email or post along with your deposit payment.
